1. Rank by rank a - gain we stand, from the four winds ga - thered hi - ther.
2. Ours the years' me - mor - ial store, hon - ored days and names we reck - on,
3. Though the path be hard and long, still we strive in ex - pec - ta - tion;

Loud the hal - lowed walls de - mand whence we come and how, and whi - ther.
days of com - rades gone be - fore, lives that speak and deeds that beck - on.
join we now their age - less song one with them in as - pi - ra - tion.

From their still - ness break - ing clear, ech - oes wake to warn or cheer;
From the drea - ming of the night to the la - bors of the day
One in name, in ho - nor one, guard we well the crown they won;

high - er truth from saint and seer call to us as - sem - bled here.
shines their ev - er - las - ting light, gui - ding us up - on our way.
what they dreamed be ours to do, hope their hopes, and seal them true.
